

HEALTH INSURANCE PERMISSION FORM

If you become ill during your stay at Vatsalya, we will decide with you (or for you if you are unable to decide) what type of hospital to take you to.

There are three main categories of hospital in Jaipur:

- a) large teaching hospitals with expertise and equipment for every emergency;
- b) smaller hospitals that treat less serious illnesses and
- c) local hospitals where healthcare is provided for minor ailments.

It is a requirement that you ensure that your travel health insurance covers all possible medical emergencies. Please submit the following form to us at least one day before you arrive.
